ESPA Facials

ESPA
Natural Beauty.
Inner Calm.

ESPA is a product, treatment and lifestyle concept which has been developed over many years in leading spas around the world. ESPA products are well known for their purity, potency and therapeutic qualities.

Our facials begin with a detailed consultation and in depth skin analysis using skin vision technology to identify skin conditions not visible to the naked eye. Your facial is specifically tailored to you, to include cleansing, exfoliating, a treatment specific massage, mask and intensive serum. Finally, skincare products are chosen for your individual needs to achieve the best results possible. To maintain the ultimate healthy radiant skin we recommend a facial once a month.

OPTIMAL SKIN PROFACIAL

1 Hour

Rebalance, hydrate, and revitalise with this targeted facial that unites the pioneering formulas of our Optimal skin collection with expertly tailored facial techniques.

Tri-phase cleansing technology is enhanced with clarisonic brushing for a deep cleanse, while new Optimal skin promoisturiser targets the delivery of nutrient rich, hydrating actives to where your skin requires them the most. Instantly reviving and brightening the complexion, this facial ultimately helps to protect against environmental damage and delay the early stages of skin ageing.

SKIN RADIANCE FACIAL

1 Hour

This revitalising facial treatment helps refresh tired skin, giving a noticeably brighter and naturally radiant appearance. A special application of ESPA skin radiance moisturiser; rich in natural AHA'S and BHA'S from Hawaiian Algae and meadowsweet, helps to smooth, reduce irregular pigmentation and brighten the skin to deliver instant results.

They wanted to say...

I have been coming to Peaches for a non surgical face lift once a month for the past 3 years. My skin has never felt or looked so good. This facial certainly helps fight the signs of ageing and the whole process is very relaxing. I feel pampered and well looked after by Vickie, my beauty therapist. The price is also extremely reasonable. I would not go anywhere else!!!!

- Sophie McKone

Always a pleasure to be in the hands of experts in a relaxing environment, with a warm friendly atmosphere.

- Vanessa Webber

I arrived many years ago as a stranger, but now I leave as a friend. Having been pampered in body and soul.

- Diane Taylor

It's the feeling of pure indulgent escapism why I visit Peaches & Cream. I've been coming for years and have enjoyed every moment. It's the warm friendly environment and excellent value for money that has me coming back again and again. Try it for yourself.

- Angela Comer

Before coming to Peaches 9 years ago I visited many salons and had never felt as welcome as I did n my first visit here. Since then I have shared laughter and tears and made some very good friends.

- Chocolate Alison (Alison Hall)

As a client for many years I have thoroughly enjoyed the relaxed but always professional style that is Peaches and Cream. While being made to feel part of the "family" they never forget that I am a client. Whether keeping up to general maintenance or having a special treat, Peaches and Cream have everything I need and are always introducing new and exciting initiatives.

- Pamela Hellam

My visit to Peaches is my end of week island of relaxation and laughter

- Sybil Robinson

Peaches have transformed my life. They have high quality products and deliver world class customer service. A hidden little gem in the heart of Morley where you will be welcomed with a smile... Love it!

- Christine Bowley

Peaches has always provided me with a friendly service and good value for money. Peaches is my comfort zone as all the girls are very caring and very professional.

- Janet Foxton (DHunt flower shop)

Peaches and Cream is the most fabulous beauty salon I have ever visited. Vickie my beauty therapist is fantastic and very knowledgeable; she always makes my skin glow

- Sue Wilton

Linda and her team gave us a wonderful pamper time the day before my daughter's wedding. Bride, bridesmaids and mum booked in for a lovely few hours having manicure and pedicure and a few other treatments and were thoroughly spoilt by the staff.

We arrived to find the salon decorated with balloons, sparkles, personalised light box decorations, Prosecco on arrival and a beautiful full afternoon tea was provided, the Prosecco kept on flowing all afternoon!

The list of available treatments is extensive, something for everyone. The products they use are top quality branded products, no cutting corners at Peaches, only the best for their customers. The atmosphere was great, all the girls had a wonderful time and the therapists went out of the way to make us feel special. It made a fantastic start to a wonderful weekend and we cannot thank the Peaches and Cream team enough.

I would recommend it to anyone who may be looking for something special for any occasion such as pre-wedding, baby shower, hen do, special birthday for any age or just an excuse to treat yourself to an extra special get together.
Michelle Husker

Peaches is a safe haven - the place I escape to for much needed me time. The treatments I have are always delightful and the staff are very friendly and professional. Never need an excuse to book again.
